

## HYPERBOLIC CORAL REEF SCARF Crochet Design By Karen Klemp

Size: 140" x varying widths

Materials: 3 balls Zitron Trekking XXL, Color No. 104 (Shades of Blue and Teal), 100 grams/459 yards each. Total of 1,377 yards, sock yarn, 75% superwash wool, 25% nylon; 25 locking stitch markers

Crochet Hook Size G-6 (4 mm) (or any size you'd like – there's really no gauge restriction here, so you may just make stitches that you like)

Chain 446

Place stitch markers in random chains, spaced as close or as far apart from one another as you'd like.

Row 1: Work 2 sts (of your choice) in ea ch, changing to another stitch when you reach the next marker. Turn.

Row 2: Ch 1, work 2 sts in ea st across, sticking to the same type of stitch in each section (between markers). Turn.

Mine were like this on Row 1: hdc in 22 chs; tr in 19 chs; sc in 8 chs; dc in 28 chs; dtr in 17 chs, dc in 10 chs, hdc in 29 chs; dc in 14 chs; tr in 22 chs; hdc in 12 chs; sc in 23 chs; dc in 14 chs; tr in 32 chs; hdc in 16 chs; dtr in 30 chs; dc in 15 chs; sc in 13 chs; tr in 22 chs; dc in 24 chs; dtr in 20 chs; hdc in 8 chs; tr in 11 chs; sc in 15 chs; dc in 14 chs; and tr in 8 chs.

Then when I turned, I worked them in reverse order (tr in the first 16 sts; dc in next 28, etc.). Row 2 has a total of 892 sts.

Continue to work 2 sts in each st for Rows 3 and 4 (or as many rows as you can stand to crochet), matching up stitch type. Row 3 has 1,784; and Row 4 has 3,568.

Please don't add up my totals above and tell me I had an error. Who cares!! Make your scarf shorter, wider, longer(???) This is just for fun.
